CALLING YOUNG HOMEMAKERS

I am looking for a few pen pals for I am very lonely. I have been in a mental hospital and would love to hear from a Cucumber, a dog?

For the holidays I made many outfits for the Barbie type doll. They were all knitted. Well, they were well picked over, then the yarn I had been using was discontinued so I could not make up what had been sold, so I will make up a packet of these for one book of Green stamps plus 2 stamps. Don't put the stamps on an envelope as I use a heavy envelope of my own.

I need many state key chains, and I need state view cards, but most of all I would love to have lots of pen pals.

SOOTHING

FUNNY BOOKS FOR THE DISCRIMINATING HUMOR ENTHUSIAST

What hath Jim wrought? That lovable character from the cover of JIM magazine #4 in a glorious full color 24-page epic, that's what. Add 8 pages of Montgomery Wart by Mark Martin to the mix and you've got a comic book that transcends the medium. Lose yourself in this surreal passion play. "Frank, take me away!"

FRANK IN THE RIVER
Frankly Fantastic!

You've probably received horribly degenerated pages from Beer Nutz #1 on your fax machine. "Damnation!" you may have cried. "What are these funny comics, which I can barely read??" Don't let it happen again. Now is the time to purchase your very own copy of Beer Nutz #2 by Wayno.

BEER NUTZ
Most Bootlegged Comic, 1991

With-it bohemians have been "into" Roy Tompkins' delirious vision for years, while new recruits are dropping out of society like flies. Corn dogs! Nose hair! Swamp gas! Pork bellies! The Good Life has never been better! It's fun to laugh at others, and Harvey the Hillbilly Bastard is about as Other as you can get.
